ABOUT THE COLLECTION

Step into a World of Wonder with our new SS24 baby collection, where the vibrant spirit of African animals, the allure of jungle creatures, the fun and beauty of tropical landscapes and fruits, the wonders of the ocean, the joy of sunny days and the whimsy romantic mini flowers and bicycles come together in harmony.

Parallel to these enchanting themes, we offer a range of trendy solid colors in different fabrics, all designed with the utmost attention to high quality. We created a harmonious blend of vibrant and fresh colors that brighten up any sunny day. From playful pastels to eye-catching colors. Catching patterns and prints, our collection reflects the joyful spirit of summer.

Collection Overview

Introducing our new collection featuring 14 unique and stunning series. From bold prints and trendy colors to classic neutrals and timeless designs, this collection has something for everyone.

Within the 14 series you will find 2 classic but new developed girls and boys groups. 8 unisex groups and 2 basic groups in lovely colors and special fabrics. With our DIMO collection we cover a variety of baby clothing. Our bodys come in different sleeve length and styles. Pants come with comfortable and elastic waistbands. All romper and overalls have press buttons in crotch for easy diaper changes. And for other baby essentials we offer sleepingbags, blankets, hats and so much more.

THE BASICS

But it is not just about captivating themes and delightful patterns. We prioritize quality, ensuring that the garments are made from high-quality fabric materials, therefore, we made a basic capsule with different fabric materials to be mixed with the playful patterns. Our trendy solid colors add a contemporary touch to the timeless designs.

THE ABSTRACT GROUP

We believe in creating a collection that ignite imagination, celebrate nature's wonders and provide the highest quality for our little ones.
